- **Greater in size than Delaware and Rhode Island combined**
- **Population larger than 41 states**
- **Approximately 224 languages spoken**

Meeting the Needs of L.A. County Births

Home Visiting Funding Estimates in LA County, FY16-17

Note: Federal Administration for Children and Families/Early Head Start (EHS) funds is an estimate based on the volume of families served and approximate cost per family. EHS funds combine home and center-based services so this estimate is being further refined to represent the true cost of home-based services only.
